Graduate ECE (GREECE) at UT
Fall 2024 – Spring 2025 Corporate Packet

Dear Potential Corporate Partner,

The Graduate ECE (GREECE) student organization at The University of Texas at Austin would sincerely like to invite you to join us in a successful corporate partnership.

The mission of Graduate ECE (GREECE) is to provide a common platform for UT Graduate ECE students from all tracks and labs to interact with one another, the department, and companies, thereby promoting social, academic, and professional development. GREECE serves to foster a sense of community among ECE graduate students and facilitate outreach to the department and industry at large.

Please review the partnership details and contact us directly via email with confirmation or questions. We look forward to working together!

Thanks & Hook 'Em,

**Zulfidin (Bobojon) Khodzhaev**
Corporate Liaison

Graduate ECE Overview

- **Location**: Events will be hosted in the Engineering Education and Research Center (EER), home of Electrical and Computer Engineering. Events at MRC, the research center for materials and electronic devices, are available upon request.
- **Publicity**: Advertised to more than **611 skilled graduate students** in a top-10 ranked ECE program. This includes large poster(s) in the lobby, ECE digital screen promotion, email to all ECE students, and a Facebook event page.
- **Catering**: Events catering is not included and is the responsibility of the company to select, order, and pay.
- **Reservations**: Reservations for the academic year 2024-2025 open on August 1st for the fall semester and December 1st for the spring semester.
- **Staff**: The events are staffed and coordinated by GREECE's board members, but they are open to everyone.
- **Academic Tracks**: These are areas of interest within ECE.
    1. Architecture, Computer Systems, and Embedded Systems (ACSES)
    2. bioECE
    3. Decision, Information, and Communications Engineering (DICE)
    4. Electromagnetics & Acoustics (EA)
    5. Electronics, Photonics and Quantum Systems (EPQS)
    6. Integrated Circuits & Systems (ICS)
    7. Power Electronics and Power Systems (PEPS)
    8. Software Engineering and Systems (SES)

Types of Events

Our event pricing structure will remain the same. We look forward to working with your team to connect you with our members. All ECE students are invited to attend Socials, Tech Talks, and Workshops.

Tier	Required Contribution	Benefits
Gold	$1000	- Access to host Workshop/Hack Night[†Δ]: a customizable event to teach students about your software or hardware tools. - Access to host Tech Talk[†ΠΔ]: an opportunity to present your company's technology and its relevance to students. - Access to host Fireside Chat[†ΠΔ]: an evening event for insightful conversations, led by an organizational moderator and a company representative, with interactive Q&A to foster audience engagement. - Invitations to Grad Extravaganza[†*]: a chance to socialize with graduate students at a monthly event.
Silver	$750	- Opportunity to organize Roundtable Networking[†]: target a select group of students (15 - 20 students) for a focused discussion about your company. - Chance to host Social[†] events: informal gatherings for networking in a casual environment. - Permission to arrange Coffee[†] Socials: a way to network and publicize your company during a mid-week coffee session. - Full entitlement to arrange TGIF[†]: a Friday evening off-campus event to socialize and discuss your company's cool products and technology.

* Grad Extravaganza hosted during December, March and May includes an additional fee for bowling rentals.
† Small companies receive a $250 discount. Small companies are 500 employees and less.
Π Startups (with 50 employees or fewer): $250 + food catering.
Δ Government Affiliated: contributions are not required; however, food catering is encouraged and appreciated.
